

STAFFING REQUISITION DESCRIPTION

Position: Child/Adolescent & Adult Psychiatry Service

Location: Multiple location located in NJ and PA

CFG Health Network is seeking a Medical Director of Psychiatric Services as well as Full-time and Part-time opportunities to work with Autistic children, outpatient services, and telepsychiatry and inpatient services within NJ & Philadelphia.

We are seeking a psychiatrist with excellent clinical skills, a desire to work as part of a clinical team, and a strong commitment to integrity and outstanding patient care. We offer a great deal of autonomy to our physicians and encourage them to develop their own practice based on their professional interests. Successful candidate will have proven supervisory and team development skills and a demonstrated commitment to the mental health needs of community consumers. The applicant must be board certified in Adult psychiatry and or Child/Adolescence psychiatry, and licensed in NJ or PA.

We offer a competitive salary and benefits package which includes health insurance, 401-K plan, Paid Time Off, paid Holidays, paid Malpractice, DEA & Licensure fees, professional development opportunities and supportive colleague consultation.
